

ISI's Mission

International Students, Inc. exists to share Christ's love with international students and to equip them for effective service in cooperation with the local church and others.

Volunteers can help by:

- Picking students up at the airport so that their first impression of a new country is a positive one
- Help in finding temporary housing and apartment hunting
- Taking students sightseeing and on shopping excursions
- Preparing meals, hosting fellowships, or driving students to activities
- Tutoring in English
- Just being a friend and caring for a student in everyday life
