Lockport NY Pregnancy Center

CareNet is a national network of more than 850 life affirming pregnancy centers. Lockport CareNet Pregnancy Center, established in 1985, has been serving the community for 25 years as a non-profit volunteer organization supported totally by fundraisers and donations.

Striving to show the love of Christ by providing a compassionate and safe environment. The clients receive hope for the future hearing about positive options and being offered continued help.

Committed to present truthful information about abortion procedures and risks, but not providing abortions or abortion referrals.

Mission Statement:

To affirm the value of life by providing compassionate peer counsel, truthful resources, practical assistance and the hope of Christ to those experiencing pregnancy related decisions.
