

SonRays Ministries, Inc

"A Ministry for Life"

Statement of Purpose: To offer services to help a woman in crisis pregnancy by offering emotional and spiritual support to help her to clarify her future direction and help relieve the present stress for the young woman.

SonRays Ministries, Inc. concentrates on supporting one life while sparing the life of the new human being. We are equally concerned for the mother and her unborn baby. Women with unplanned pregnancies face emotional, financial and social hardships. By helping them deal with these difficulties and putting Christ's love into action, new hope and REAL, PRACTICAL GOALS are theirs to go forward with.

For more information about SonRays Ministries, Inc. please contact:
